North Carolina Dance Alliance (NCDA) is a nonprofit statewide organization established in 1982 to serve and support the development of dance in North Carolina. Over the years, the Alliance has developed programs and services that address the changing needs of the state's dance community.

NCDA's mission is to advance the art form of dance. As a statewide service organization for dance, NCDA is fueled by its members who are professional dance companies, artists, presenters, educators, students, institutions, individuals, and other organizations statewide.

NCDA is grounded in the conviction that the concerns and aspirations of the dance community can be addressed through active, cooperative endeavors.
